

[SMARTSTART|Giving 60-Second Spotlight](#)

Friday, September 19th, 2008

It's been awhile since we featured someone in our 60-second spotlight but I think you'll agree it was well worth the wait when you hear this young giver's story!

Meet Bilaal Rajan, a giver since the young age of 4, and the author of *Making Change*, a book that shows us all how to start small and give big.

Although he has just turned 12, Bilaal has been recognized around the world for his fundraising efforts and he's really just getting started making his dreams a reality!

After reading all about his giving story in my previous post, please check out his web site at www.handsforhelp.org to learn more about this enterprising and truly inspirational young man.
